Welcome Message

The whole year's work depends on a good start in spring. In this pretty season, we are here today to conduct the 2010 FIFA World Cup South Africa Asian-Zone Preliminary Competitions Round 3 in this wonderful city of Kunming. On behalf of Chinese Football Association, I'd like to extend my sincere welcome to all the representatives participating in this game.

FIFA World Cup is the top-leveled competition held by FIFA which is highly attractive for the fans all over the world. The preliminary competitions are such an important step for teams to get into the final stage of this football gala. I sincerely hope that the two teams from Australia and China who are participating in this game can give us a high-level performance with not only good football skill but also perfect sports spirit of professional football.

So far, the host of this game, local organizing committee of Kunming has done a lot of preparation for the successful process of this match. Further more, we will keep working to provide full service and support to the teams, officials, medias, fans, sponsors and other representatives. I would like to express my thanks to the host and all the related parts of this game.

Wish all of you distinguished guests a wonderful stay in Kunming.

Welcome Message

We are delighted to play China in our first World Cup qualfiying game away from home since becoming part of the Asian Football Confederation (AFC).China and Australia have a history of competitive matches dating back 85 years ago to 1923. However, the opportunity to meet regularly as part of the AFC and, for the first time, in a World Cup qualification match is a new level of engagement and interchange between our respective nations and one which I hope will grow and endure in an exciting future together.

It must also be a good time to be a sports fan in China with the Beijing Olympics only five months away. We had the honour of hosting the Sydney Olympics eight years ago, and we know it will be a wonderful event for your country.

I am particularly pleased to acknowledge and thank the President of the China Football Association, Mr. Yuan Weimin , and the people of Kunming, for welcoming us to China. We wish China all the best in your 2010 FIFA World Cup qualifying campaign.

We look forward to welcoming you to Australia in June.

2010年南非世界杯足球赛亚洲区预选赛中国国家队与澳大利亚国家队比赛又将在这里举行，这是继2002年韩日世界杯亚洲区预选赛中国国家队与印度尼西亚队比赛后，昆明拓东体育场又一次成为全世界关注的地方。我们期待中澳两国的足球队伍在这里充分发挥出自己的技战术水平，让云南乃至全国、全世界的观众欣赏到一场精彩的足球比赛，享受足球运动带来的振奋和欢乐。

中国男子国家足球队简介

中国自1979年回归国际足联大家庭后，一直在为参加象征足球最高水平的赛事--男足世界杯而努力着，并致力于通过不懈努力和加强国际足球交流促进中国足球的发展。

中国自1957年首次冲击世界杯，在经过44年的奋斗后于2002年首次获得了参加国际足联韩日世界杯决赛阶段比赛的资格，中国队创造了新的历史。虽然中国队没能在世界杯的舞台上获得理想的成绩，但这一次参赛已成为中国足球的宝贵经历。中国队一直希望能够再次参加世界杯，并在决赛阶段的比赛中，取得好成绩。

2004年8月中国队在本土举办的亚洲杯上力压伊朗、韩国等老牌强队，打进决赛，获得了亚军。

2007年9月，中国足球协会重新组建了新一届国家队，并聘请塞尔维亚人杜伊科维奇担任总教练，福拉多担任执行主教练。这是一支新老结合的球队，有很多参加过世界杯预选赛的老队员，像李伟峰、孙继海、邵佳一、肇俊哲等球员出席过韩日世界杯决赛阶段的比赛。同时，这支球队也补充了很多现役国奥队的新鲜血液。

在本次世界杯预选赛中，中国队与澳大利亚、伊拉克及卡塔尔分在同一个小组。虽然面对这样一个死亡之组，但中国队将竭尽全力发挥出最佳水平，力争出线。中国队将在本次预选赛中尽量表现出应有的技战术水平和体育精神，并力争奉献给球迷精彩的比赛。

Introduction of Chinese National Men's Team

Since re-established its affiliation with FIFA in 1979, China PR has been doing their best to achieve the opportunities on the FIFA World Cup event which stands for the highest level of international football competitions. They are bending themselves to develop the game of football through many football exchanges and international matches.

After the first participation in FIFA World Cup Qualification in 1957, China PR made the history to qualify from Asia for the final stage of 2002 FIFA World Cup Korea/Japan in the year 2001. Though China didn't play as good as expected by Chinese fans on the World Cup stage, it was a valuable experience for Chinese football to start a new journey for the future FIFA World Cup.

As the host, China PR played an outstanding performance in AFC Asian Cup 2004. Overwhelming Asian traditional powers like Iran and Korea Republic, China PR entered the final match and got the runner-up which is the best result for China in the history this Asian top-level tournament.

In September 2007, a new Chinese Men's Football Team was set up. Mr. Ratomir Dujkovic and Mr. Vladmir Petrovic from Serbia have become the new general head coach and executive head coach respectively. This is an energetic team combined with young talents and experienced players who participated in 2002 FIFA World Cup like the captain Li Weifeng, experienced full back Sun Jihai, energetic midfielder Shao Jiayi and solid defensive midfielder Zhao Junzhe. The fresh blood from the U23 team also made a good addition to the team depth.

Though Chinese team is facing an extreme difficult group in this qualification competition together with Australia, Iraq and Qatar, they will try every effort to gain the opportunity to participate in the 2010 FIFA World Cup South Africa. They are also determined to award Chinese football fans with wonderful matches by playing their best level and fighting spirit.

澳大利亚足球发展史

从殖民时期开始，澳大利亚已经开始发展足球运动，在其国内的首场比赛于1880年8月14日在悉尼的一个并不专业的足球场举行，对阵双方是流浪者队和国王校园队，观众只有1000人，流浪者队以5-0获胜。而澳大利亚队的首场国际比赛则过了42年之久才得以进行，那时澳大利亚足协成立，他们的首个对手是近邻新西兰队，1922年6月，澳大利亚在达尼丁客场以1-3败给对手[illegible]

从那以后，尤其是近40年来，足球运动在澳大利亚得到了很大的发展，尤其是青少年足球的发展和大众足球的普及，达到空前的高度，根据最新研究数据，在这个拥有2,100万人口的国家，有超过100万人参与足球运动，其中60万人在青少年队、业余队、学校、五人制等相关组织注册。这个广泛基础中的精英们代表澳大利亚足球在最重要的两个足球赛事世界杯和奥运会中出战，争取好的成绩。2000年在悉尼举行的奥运会男足和女足比赛使得足球运动在澳大利亚取得更大的发展。

在澳大利亚的所有体育项目中，足球运动拥有最完善的青少年培训体系和优秀球员选拔系统，堪培拉的澳大利亚体育学院是输送人才的主要机构。该体育学院培养了很多冠军级运动员，有维杜卡、摩尔、布雷西亚诺等。

20世纪初开始，澳大利亚的很多俱乐部都参加到洲际比赛中。1977年，开展了国内足球联赛，足球成为澳大利亚第一个建立起联赛的项目。2005年8月，澳大利亚建立起一个全新的联赛现代杯足球甲级联赛，吸引了很多在海外的澳大利亚人回国踢球，参加这个被寄予厚望的足球联赛。现代杯足球甲级联赛的首个赛季，总观众人数达到100万，而发展到第三个赛季，场均观众人数更是达到15,000人。国内联赛和发展项目的相结合使澳大利亚向世界足坛输送了很多优秀球员，实际上，现在有大约150名澳大利亚球员在其他国家的职业联赛里踢球，其中很多都效力于欧洲高水平的足球联赛。很多现役国脚和前国脚都在回到澳大利亚后重新回到球场，或走上教练岗位，为澳大利亚培养更多的优秀球员。

2006年，澳大利亚加入亚足联，这是一项意义深远的决定，给了澳大利亚足球更大的发展机会，让他们有机会实现曾经看来并不实际的目标。

澳大利亚足协整体负责澳大利亚足球的管理、发展和提高。

Australian Football History

Football in Australia has its roots in the early colonial days, with the first known match played between Wanderers and King's School at the Parramatta Common in Sydney. The match, played Saturday 14 August 1880 in front of almost 1000 spectators, ended in a 5–0 win to the Wanderers.

The first international match did not take place for another 42 years, during which time Australia had progressed to become a Federation. Australia's inaugural international match was against trans-Tasman rivals New Zealand Australia going down 1–3 in Dunedin, New Zealand, in June 1922.

Since then, and especially over the past 40 years, the sport of football has grown extensively in the country, cumulating with participation levels especially for juniors at an all-time high for any football code.

Out of a total population of almost 21 million people, latest survey data shows that Australia has more than 1 million football participants, including well over 600,000 players officially registered with affiliated federations, incorporating junior, amateur, school, futsal, indoor and contract players. At the elite end of the scale, Australia regularly competes for a berth in the world's two largest sporting events – the FIFA World Cup and the Olympic Games. Men's and women's football at Sydney 2000 took the profile of the sport to greater heights.

The code also has one of the most respected talent identification systems and youth development programs of any sport in Australia, cumulating with the Australian Institute of Sport in Canberra. The Institute continually produces champions, among whom Mark Viduka, Craig Moore and Mark Bresciano can be counted. Since the early 1900s, the country's elite football clubs competed in the various state leagues. In 1977, football was the first code in Australia to adopt a national league. August 2005 saw the launch of a vibrant and brand new national competition the Hyundai A-League which saw many former 'Aussies Abroad' return home to play in its highly-anticipated inaugural season. The first Hyundai A-league season saw over 1 million spectators pass through the gates and in the third season the average crowd was over 15,000.

The domestic competition and the development programs have combined to establish Australia as a major exporter on the world soccer stage in fact, there are currently around 150 Australians playing professionally in other countries, many featuring in the top leagues throughout Europe.

The ongoing return of current and former national team players back home to take up renewed playing careers and coaching positions demonstrates the full cycle of the investment in Australian talent.

Australia's long-sought entry into the Asian Football Confederation which occurred in 2006 will continue to bring enormous benefits to the game, adding a new dimension that seemed just a dream not long ago.

Football Federation Australia the governing body for the sport has an overall responsibility to administer, develop and promote soccer in Australia through its state and territory membership.
